CIRCULAR
Grades: VIII-X

DPSG67/CIR/0060/2026-27 **Date: 27th October 2026**

Dear Parents,
Greetings!

We are pleased to inform you that the Central Board of Secondary Education (CBSE) is organising the **CBSE Science Challenge 2026–27** for students of **Classes VIII, IX and X.** The initiative aims to foster scientific curiosity, critical thinking, inquiry and problem-solving skills among learners.

The challenge will be conducted in two rounds:

1. **Round 1: School Level:** The challenge will be conducted on **Wednesday, 4 November 2026**. Students will attempt a multiple-choice question paper designed to assess their scientific aptitude, speed and accuracy. The duration of the challenge will be 60 minutes.
2. **Round 2: Inter-School Level:** Based on their performance in Round 1, **six students, two each from Classes VIII, IX and X- will be selected and registered by the school** for the next round. Round 2 is tentatively scheduled between 30 November and 4 December 2026, on a date to be notified by CBSE.

There is **no participation fee** for either round. Participants in Round 2 will receive online participation certificates from CBSE, while appreciation certificates will be awarded to the best-performing students. More information is available in the circular by CBSE attached below.

Science Challenge Circular by CBSE- 2026-27

Please note that it is mandatory for all the students to participate.

We encourage our students to participate enthusiastically and make the most of this opportunity to demonstrate their scientific aptitude, think critically and apply their knowledge.

Warm Regards,
Team DPS 67A
